Wanless - Kesler

George Algar Wanless & Miss Minnie Anna Kesler of
Cass were married at the Methodist parsonage, Wednesday
September 13, 1922 by Rev F. B. Wyand.

Pocahontas Times 9/4/1922

Harry Wanless, of Cass is 91 years old today! He was born on Back Mountain, near Cass, in sight of the house where he now resides, on June 18, 1896. He is the son of the late Charles Wanless and Hannah Cassell Wanless.

In 1922 he married a school teacher from Hillsboro, Mary Hill. Harry and Mary Wanless never had children of their own but raised seven foster children. There was no payment for foster children care in those days.

Mr. Wanless spent most of his life farming. He contributes his long life and good health to the outdoors and hard work; as he said, "Farming for a living is hard work and long hours." He did work on public works and for the Cass sawmills for three years before retirement. He was a helper building camp cars, and he also served in World War I.

Mr. Wanless hears very well without the aid of a hearing aid, and ^{until} just a year ago could read well without glasses. He says he does have trouble reading now - but still reads some without glasses.

Four years ago he was in an automobile accident, from which, he says, he has never fully recovered. Before that he drove anywhere he wanted to go. Since the accident he limits his driving to the four miles from his home on Back Mountain down to Cass and back home. He makes good use of the Senior Citizens bus to take him

elsewhere. He drives himself to Cass every Sunday to attend church at the Cass United Methodist Church. In the summer months he often drives to Cass to sit with the fellows in front of the Country Store to watch the trains go out, and see the many tourists who visit Cass every year.

Mr. Wanless says he couldn't get along without his next door neighbors, Mr. and Mrs. Gerald Cassell, and the Senior Citizen bus.

His wife of fifty-six years died nine years ago, leaving him alone. Mr. Wanless ended our interview with these words, "It's really tough living alone."

We hope to talk with him again on his 100th birthday
